

## **REVISED FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1996

SUBJECT: **SB 3196 - HB 3236 (REVISED)**

On February 12, we issued a fiscal note on this bill which indicated that:

The fiscal impact from enactment of this bill is estimated to be minimal.

This estimate was based upon information received from the Department of Correction and the Office of the Comptroller of the Treasury.

The fiscal impact from enactment of this bill, based upon additional information furnished by the State Treasurer's Office on February 20, 1996, is estimated to be an increase in state expenditures to exceed \$100,000 over time. This estimate is based upon provisions in the bill which extend the sovereign immunity of the state to a subdivision of the state as it relates to construction and operation of correctional facilities.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
